Dear President Ji,

GURDWARA ELECTION 2017

Following the General Meeting of 'Sangat' held on 30th July, the Election Board has started to plan for an election to be held for the President later this year.

Whilst plans are being progressed we humbly request that:

1. No new capital expenditure on projects should be made until the election is concluded or any additional loans entered into; and
2. Management of the Gurdwara Website, Facebook and Twitter pages passes to the Election Board and any information to be placed there should be with the prior approval of the Board, with the exception of Gurdwara programmes.

We ask and seek your co-operation in complying with this request.
